RE: Food Service Annual Renewal – 2010-2011

When we last bid and awarded the Food Service Management contract in 2009, the state's guideline required that we could commit to a five-year agreement, but it would be on the basis of five one-year contracts.

On May 13, 2010, the Board of Education agenda will include a resolution, which will renew this contract for the 2010-11 school year, which will be the second year renewal.

This is a boiler plate annual renewal.
